

Advantage

TigerTurf Advantage is an outstanding tennis and multi-sport surface that encourages players at the top of their game to extend themselves even further, while developing players can more readily improve their skills on this technical tennis turf.

Advantage is at the top of our tennis range. It is an extremely hardwearing medium pile surface and comes with a 10-year manufacturer's warranty.

TigerTurf Advantage is also an excellent surface within the Gym environment. Its hard wearing characteristics make it ideal for resistance training, high impact and indoor field sports.

Advantage

For the owners

- // The superior yarn keeps the surface at **peak performance** for much longer than standard tennis turfs.
- // Exclusive fibre type encapsulates more of the sand infill producing a surface that is **far less sandy** in appearance.
- // A stable, well-designed tennis turf which remains playable in all climate conditions.
- // Certified for indoor installation if partially infilled with sand.
- // Advantage is **ITF-accredited** as a medium/fast paced tennis surface.

For the players

- // With a high **ball bounce** and emphatic response to spin, Advantage plays an active role in the game.
- // The non-slip surface is **safe** underfoot, wet or dry.
- // The high degree of **traction** underfoot encourages players to test their limits.
- // The yarn used is **non-reflective**, so doesn't shine when it is wet or floodlit.
- // The playing surface remains **comfortable** on hot afternoons without radiating heat.
- // Non-directional surface ensuring play is the same down and across court.
