

# Summer Envy 35

Whether you are a homeowner wanting a beautifully manicured lawn, a business requiring attractive landscape and workspaces, a landscape designer looking for a unique solution for your clients or a council needing to provide natural landscapes but are restricted by access, maintenance and water supplies ...talk to TigerTurf.

TigerTurf Summer Envy 35 is a beautiful and authentic alternative to dry climate natural grass. The wide blade and high-density thatch provide a soft and comfortable feel under foot.

Constructed using green and beige coloured strands, this product gives a realistic impression of recently mowed grass.

**// Soft, safe and attractive, a place where children and pets can play safely**

**// No prickles or weeds**

**// Natural looking**

**// 10 year warranty**

# Summer Envy 35

## For the owners

- // **No** watering, mowing or fertilising required.
- // Child and pet **friendly**.
- // **UV stabilised** to minimise fading.
- // Recommended use: moderate traffic.
- // **Minimal** maintenance to remove organic material. Some moss and algae treatment may be required in damp, shaded areas.
- // **Certified for indoor** installation if partially infilled with sand.
- // **Free** of heavy metals.
- // Meets **Council permeability** regulations.
- // Can be **installed over** timber, crushed rock, asphalt or porous or non-porous concrete.

## For the user

- // Looks and feels like the **real thing**.
- // Soft, safe and attractive, a place where children and pets can **play safely**.
- // Stays **lush and green** 365 days a year.
- // **No** allergy-causing grass seeds and cuttings.
- // **No** prickles or weeds.
- // **Drains and dries** quickly after rain so doesn't become boggy or muddy.
